## Nexus Meets We Are Social Enterprise

**Interviewer:** [00:00:00] Louder.

**James McBride:** Hello? Hello over there.

**Interviewer:** Yes, that's fine.

**James:** Is that all right?

**Interviewer:** Yes. [unintelligible 00:00:03]

**James:** Perfect.

**Interviewer:** Do you want to just go straight into it?

**James:** Why not? Yes. I'm

[00:00:10] James, I'm the co-founder of We Are Social Enterprise Recruitment. My background is, I graduated from UCL in-- actually science, so biomedical science degree, then

[00:00:20] I doubled in the world of startups for a little bit before meeting co-founder Linden, and we started the business in 2018. We are Social

[00:00:30] Enterprise is a social enterprise recruitment business that operates in the UK construction markets. As you can tell by the name, we're a social enterprise as well. Our social focus is all around helping outreach

[00:00:40] groups with all things employability.

Looking to develop the business, we are always looking to take on

[00:00:50] new clients within construction engineering sectors. That's our strategy. We work nationwide currently with quite large principal contractors, so

[00:01:00] we should do more the same really. Anyone that's connected to construction firms, it would be great, but to be honest, it's just

[00:01:10] like-minded individuals. We're always interested to hear about different businesses, how they operate, and that can be across any sector really. Always we connect with like-minded

[00:01:20] individuals.
